Email: alum@cslanet.calstatela.edu

Dear Cal State L.A. Graduate:

Through the CSULA Alumni Association, *WBT Industries* has designed a convenient program that allows you to have your diploma delivered to you **already preserved** on solid hand-crafted Dark Walnut wood or in the Black Edition. Preservation will transform your **original** Cal State L.A. diploma into a work of art, ready to display in your home or office, while ensuring your diploma's aesthetic beauty by maintaining its original condition for life. Diplomas are a one-of-kind paper document. As such, they are subject to deterioration from temperature, humidity and dust. Preservation is the key to maintaining their integrity.

Here's how it works:

- 1) Mail or bring the completed form to the CSULA Alumni Association by the ***deadline** below. (If you already have your diploma in your possession, then simply mail the form and your diploma to the CSULA Alumni Association.)
- 2) The CSULA Alumni Association will deliver your diploma directly to WBT Industries for preservation.
- 3) Your preserved original CSULA diploma will be mailed to you via FedEx Ground Service.
- 4) If you have any questions, please feel free to call the CSULA Alumni Association at **(323) 343-ALUM (2586)** or stop by the Alumni Center in the University-Student Union at Cal State L.A.
- 5) **ORDER NOW AND RECEIVE FREE SHIPPING!**

Dark Walnut

All styles receive 27 meticulous stages of hand-crafted preservation. In choosing the Dark Walnut, the plaque will be finished with a beveled edge and painted with a gold acrylic enamel. The Black Edition requires additional processes to achieve a solid, high-tech look featuring a high-gloss finish and a 45 degree beveled edge. This service cannot be found in retail stores and is offered only through Universities. We recommend that you take advantage of this opportunity as thousands of past Cal State L.A. graduates have.

Black Edition

Yes, I would like my Cal State L.A. Diploma preserved. **Signature** _____

If this is a gift for the graduate, please state relationship next to signature
